# Tax Document Order

Here is a list of potential documents we'll need from you to complete your tax return efficiently. Depending on your stage of life, you may or may not have certain documents (i.e., if you're not receiving Social Security benefits, then you will not have an SSA form). Your Tax Prep Checklist will help you to include the documents most easily forgotten. As a reminder, please total all your numbers for us. If you bring us a stack of receipts or a sheet with just a bunch of numbers, we will have to invest time into totaling them up which will increase the cost of your tax return preparation fee.
